CHEMtox™

FOOD PLANT SPRAY

Designed for Use in Edible Product Areas of Official Establishments Operating Under the Meat, Poultry, Shell Egg Grading and Egg Products Inspection Programs and in Other Food Processing Plants.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors or spray mist, and provide adequate ventilation of area being treated. Contact with the eyes, skin or clothing should be avoided. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

Do not allow children or pets to contact treated surfaces until spray has dried.

In home, all food processing surfaces, dishes and utensils should be covered during treatment, or thoroughly washed before use. Do not apply directly to food.

In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. After spraying in food processing plants, wash all equipment, benches, shelving, etc., where exposed food will be handled, with potable water.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL HAZARDS

Do not use or store near heat or open flame.

For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-858-7378

DIRECTION FOR USE

The use of this product in food processing establishments should be confined to time periods when plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Stored food products which are infested should be fumigated or treated by other effective methods using an approved product intended for that purpose.

SPACE SPRAY: For control of accessible, exposed stages of flies, including **fruit flies, mosquitoes, small flying moths, gnats, wasps, hornets, cheese skippers**, and these common stored product pests: **granary weevils, rice weevils, confused flour beetle, sawtoothed grain beetles, spider beetles, cigarette beetles, drugstore beetles, Angoumois grain moths, Mediterranean flour moths, Indian meal moths, Tobacco moths, meal worms, and grain mites.** Close windows and doors and shut off ventilating systems. Use a fogger or vaporizer adjusted to deliver an aerosol spray (no droplets over 50 microns in diameter and 80% less than 30 microns). Apply at the rate of 1 ounce per 1000 cubic feet of space. Direct the spray toward the ceiling and upper corners of the area and behind obstructions. For best control of **Wasps and Hornets**, apply directly to nests in the evening when the insects have returned to the nests. Keep the area closed for at least 15 minutes. Vacate the treated area and ventilate before reoccupying. Repeat treatment as necessary.

SPACE AND CONTACT SPRAY: For control of accessible, exposed stages of **silverfish, crickets, roaches, spiders, scorpions, clover mites, cheese mites, earwigs, and ants**, first using equipment which can deliver a pin spray, direct spray into all cracks and crevices in woodwork, walls, floors, underneath sinks, behind pipes and in all places where these insects are known to seek shelter. Contact as many insects as possible, spray directly all ant trails. Do not allow spray to contact stored food. Then, shutting all doors, windows and shutting off all ventilating systems proceed with space spraying directions as given above. Use dosage rate of 1 ounce per 1000 cubic feet of space. Keep the area closed for at least 15 minutes. Vacate the treated area and ventilate before reoccupying. Repeat treatment as necessary.

Terms of Sale or Use: on purchase or use of this product buyer and user agree to the following conditions:

Warranty: CTX/Cenol, Inc. warrants that this product, as of the time of sale by CTX/Cenol, Inc. conforms to the ingredient statement on file label, and is reasonably fit for the purposes set forth in the Directions for Use. Except as so warranted the product is sold as is. CTX/Cenol, Inc. makes no other warranty express or implied.

Damages: Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price and shall not include incidental or consequential damages. Notice of any claim must be reported to CTX/Cenol, Inc. within 10 days of discovery by buyer or user, failing which buyer or user waives any claim for such damage.

Excuse from noncontrollable conditions: Because of certain critical conditions created or incurred by buyer or user or over which CTX/Cenol, Inc. has no control, buyer and user, as a condition of purchase or use, assume responsibility for and release CTX/Cenol, Inc. from, liability arising out of handling or use of the product attributable to such causes. No person is authorized to vary or waive any statement contained herein.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
